

## Minister's Letter

Dear Brothers and Sisters in Christ, Francis and Clare,

Prayers and blessings for a year filled with the grace of the Holy Spirit as we strive together to perfect simplicity in our lives! May we all experience the birthing of Christ in our midst over the days ahead. May our love and work prepare the way for His Light, dissipating all residual darkness in our world.

The Trillium Regional Fraternity Council is rolling up their sleeves for the busy year ahead. Some major events are the National Chapter of Elections in May, our own June conference, a summer Franciscan Fest, the Canadian Franciscan Conference in August and a Trillium Fall Retreat. We will be meeting for two days in March to make plans, so please keep us in your prayers, they are gratefully appreciated!

The annual census and fraternity contribution forms are being sent out this first week of January. Please excuse the delay, but the forms have been revised and separated into two. Some fraternities have already sent in their contributions. Many thanks!!!! For this year, the recommended amount of \$32.00 per member remains the same. May we ask that the census form be filled separately, including the names and addresses of all active professed members. This information will be compiled into a Trillium Fraternity Directory that will be made available to local fraternity ministers at the June Conference. The deadline for the census form is April 1st, 2003, but feel free to send it in as soon as possible.

Does your fraternity put on a day of Recollection, Retreat or other spiritual exercise? Do you have room for a few more people? If so, feel free to contact our newsletter editor, Cathy Kruger, ofs. She will include information about the upcoming event in the next newsletter. We would also like to hear how things are going with your fraternal activities. Please share with special events, apostolates, joys and sorrows.

May you be renewed for the work ahead through the inspiration of Francis and Clare.

May Christ bring you reconciliation and healing. May the Holy Spirit move freely in your life. May you always find peace in God through prayer.

Peace and all good!  
Debbie Tessier, ofs  
Trillium Regional Fraternity Minister

## Message from our Spiritual Advisor Fr. Peter Knaapen, O.F.M.

Our Holy Father in his recent Apostolic Letter, *Rosarium Virginis Mariae*, proclaimed five new mysteries for us to contemplate. They are the Mysteries of light. 1. The Baptism of Jesus in the Jordan. 2. The Self-manifestation of Jesus at the wedding feast of Cana. 3. Christ's proclamation of the Kingdom of God, with his call to conversion. 4. The Transfiguration of Jesus. 5. The institution of the Eucharist, as the sacramental expression of the Paschal Mystery.

Our Holy Father reminds us that the Rosary is "at heart a Christocentric prayer" and by means of it we meditate on the entire Christian mystery. By contemplating Christ's birth we learn of the sanctity of all life. By listening to the Master in the mysteries of his public life we find the light which leads us to enter the Kingdom of God. By following Jesus on the way to Calvary we learn the meaning of salvific suffering. By contemplating Christ and His Blessed Mother in glory we see the goal towards which each of us is called, if we allow ourselves to be healed and transformed by the Holy Spirit.

The Rosary is a contemplative prayer but at the same time it is a prayer of petition. By means of it we present to the Lord all our problems, anxieties, labour and endeavours of our lives. "Cast your burden on the Lord and he will sustain you". (Ps 55:23).

To pray the Rosary is to hand over our burdens to the merciful hearts of Christ and his Mother. In light of this our Holy Father has asked us pray the Rosary for peace.

"The Rosary has many times been proposed by my predecessors and myself as a prayer of peace. At the start of a millennium which began with the terrifying attacks of 11 September 2001, a millennium which witnesses every day innumerable parts of the world fresh scenes of bloodshed and violence, to rediscover the Rosary means to immerse oneself in contemplation of the mystery of Christ who 'is our peace', since he made 'the two of us one, and broke down the dividing wall of hostility' (Eph 2:14). Consequently, one cannot recite the Rosary without feeling caught up in a clear commitment to advancing peace, especially in the land of Jesus, still so sorely afflicted and so close to the heart of every Christian".

May we continue to use the Rosary as means of growing closer to Christ and His Mother. During this year of the Rosary, may we pray it especially for peace in our world.

## **Fire at Poor Clares Monastery**

Sister Madeleine, one of the Poor Clares living in the monastery on Sherbrooke, Quebec, tells of the fire on January 1st. of this year.

The life of the Poor Clares has been turned upside down since the incident. Communal life and prayer are difficult, there is smoke damage to their prayer books, there are media interviews, basic needs to provide for, and other problems.

The Poor Clares spent New Year's Eve in adoration until midnight, thanking God for the year past. At the conclusion, Sister Marie-Immaculee, the abbess, sent the Sisters to rest with the words "I wish you the nudity of the manger".

Twelve hours later, at lunch, the fire alarm sounded. They managed to cut off the electricity, retrieve the consecrated hosts from the chapel, and escape with the dog and cat, standing outside in the ice and snow without boots, one sister in slippers. Only the bird was unaccounted for.

The fire took its toll in 40 minutes, but the firefighters remained on the scene for another 12 hours. By 9 p.m. two firefighters decided to enter the building to search for anything that could still be of use to the sisters. Inside, they heard birdsong, and sure enough, there was the bird, standing in its birdcage singing, the cage bars still hot from the fire! Something of a miracle!

The Franciscan family in Quebec is rallying support to help provide the sisters with their basic needs. Donations may be sent to the following:

## **Making Christmas right around the World**

St. Joseph's school is creating Bags of Love for needy children around the world. The bags contain toys, hygiene items, school supplies and candy and are shipped to Third World countries by Dr. Simone's Canadian Food for Children in Toronto. The bags are sewn by the religious order of Secular Franciscans and their Port Elgin friends and are used by women to catty food such as rice and beans. This year's 200 bags and over \$1,000 can be contributed to by calling Marlene Walter at 797-3062. Clockwise from left are students Tiffany Cutting, Jamie Rice, Caitlin Sullivan and Chris Walbourne.

## **Some Thoughts on Peace**

By Hugh Dobson, ofs.  
St. Francis Fraternity, Burlington.

### **Globalization:**

People are so focused on technology, (especially transportation and computers), that they are neglecting basic life- support needs, (especially agriculture and human relations.)

### **And Peace:**

The heart of my religion is ' justification by peace'. The call to Active Peace is for both the 'secular' and the 'religious' persons. Peace is called for, as the essential behavior, with or without 'faith'.

### **Choose Active Peace:**

War is bad behavior.

That is hard to believe  
if we think we have to  
defend ourselves.

'The good' is between  
excessive sleepiness and  
excessive conflict.

My way of  
Loving humanity is  
To indicate the  
Way of Life and Peace.

Humanity can seek  
this good after  
I have pointed it out.

## **Joke Corner**

**Franciscans aren't disorganized.  
We're administratively challenged.**

### **If a dog were your teacher, you would learn stuff like:**

- When loved ones come home, always run to greet them.**
- Never pass up the opportunity to go for a joyride.**
- Allow the experience of fresh air and the wind in your face to be pure ecstasy.**
- When it's in your best interest, practice obedience.**
- Let others know when they've invaded your territory.**
- Take naps.**
- Stretch before rising.**
